

Kizer is a person who is passionate about the things that matter in his life! He has a heart for the elderly and youth that is genuinely unique. Kizer, a person of faith in Christ, is known for his family and others needing a helping hand. He is, especially known for He has creative thinking to motivate others And Himself to move towards a better life-style With Health, Healing and Wellness! Kizer is a self-appointed researcher who loves to discover ideas And information in support of his projects; he is constantly looking into something that will bring improvement a person's life and/or situation.... YOU gotta LOVE THIS ABOUT HIM!

**I am grateful to call Kizer my family.
(Married to my sister)! His work with**

With this project was inspired by those he loves who needs his love and help. at critical Stages of life. However, He's not only stepping up to give A helping hand, but he.

Give so much more with a loving heart as he. And Patricia, (his wife) provides care for each person.
