^^Use the decoder bar each page supplies to unlock answers that will help you embark upon 'The Code of Life'.

Simply place an uppercase or lower case letter, punctuation mark or number in the empty box below each code given. When you are finished decoding each block, go back and read the message that can be used to help you overcome day to day challenges.

If the number 1 is provided, the correct answer would be either A or a. If the letter A or a is provided, the correct answer would be the number 1. If a colon(:) is provided, the correct answer would be the number 30. If the number 30 is given, the correct answer would be the colon (:). And so on.

Example:

8	1	22	5
H	a	v	e
